OCIA Executive Director

MX-BIO-120

This document has been issued on the basis of the IACB Standards, which is equivalent to Article 29(1) of Regulation (EC) No 834/2007 and of Regulation (EC) No 889/2008. The declared operator has submitted his activities under control, and meets the requirements laid down in the named Regulations."

This certificate is valid only to document the OCIA verification of the operation named on this certificate. This certificate is not valid for trade, but only validates that the above operation may have product eligible for approval by appropriate authorities. By accepting this Certificate, the named operator agrees to maintain compliance and follow the approved management plan. The named operator agrees that this Certificate will only be used to demonstrate that products produced are compliant to the above named program. This certificate is issued under the supervision program managed by the IOAS. This certificate is valid only until the expiration date or until it is revoked.
